DOCKET NO. ~~SW~~-03576A-05-0307

PROCEDURAL ORDER

On February 2, 2006, the Arizona Corporation Commission ("Commission") in Decision No. 68448, approved the application of Palo Verde Utilities Company, LLC, ("Palo Verde") and Santa Cruz Water Company, LLC ("Santa Cruz") (jointly "Companies") to extend their Certificates of Convenience and Necessity to provide water and wastewater services in Pinal County.

On February 2, 2007, the Companies filed a request for a one-year extension of time, until February 2, 2008, to complete the compliance requirements for Decision No. 68448.

On February 9, 2007, the Commission's Utilities Division ("Staff") filed a letter in this docket, requesting the companies to file a statement from each of the developers explaining why development has been delayed and demonstrating a continued need for service in the extension area. Staff further requested that the Companies have the developers to confirm in their respective statements the Phase I Main Extension Agreements will be filed by December 31, 2007.

Between March 21, 2007 and May 21, 2007, the companies filed letters from developers in the extension area explaining the status of their projects.

Accordingly, Staff should file an update or recommendations regarding the Companies' request for an extension of time to comply with Decision No. 68448.
